From my early college years, I knew it was all about boobs. I didn't have any in high school, and had to literally stand by as a parade of busty girls paraded down the hallways, or posed chests pushed out, in front of their lockers.

Then, during college as I matured, I decided to get a boob job, get rid of my glasses and join the gym. It took a while to get everything in place, but look at me now. Guys can't stop looking and I'm the one girls look at walking down the street. But what I'm most proud about is how it makes me feel, and that is the most important thing of all. Especially when I'm lying in bed naked with my lover.

EUFORIA & KATE

Euforia and Kate became fast friends at the store in the mall where they both worked. Kate was the new hire and Euforia was there to show her the ropes. After a few months they hooked up. Their first time was in the dressing room.

Then, one day, Kate invited Euforia to her house for dinner and wine. They stayed up all night, sharing stories and pussies, At first Euforia was the aggressor, but Kate got so aroused that she took over and helped Euforia cum four times that night. Or at least that's what she told us, and who are we to argue, now that we have the pictures.

SLOPPY

What is it with all the spitting and cumming on the face in porn videos. I can't imagine how people find that arousing. Not only is spitting on a cock or a pussy or a butt unappealing, but spitting on a girl's face? What woman would allow that? Porn is supposed to be exciting, not disgusting. Cum on you guys, Clean it up, don't do it!

— Bella in L.A.

MY MILFY NEIGHBOR

There's a hot MILF living above me in our apartment complex. She's married, but her old man is always working. As for me, I'm married too, and my old lady is always with her girlfriends shopping. Well, you know the inevitable. We hooked up. But getting time together is always tough, until one day, she was looking over her balcony and noticed an area in the back of the building that's between the fence and a small grouping of

high shrubs and bushes. There was a clear area she thought would be a great spot for us to 'hang out' away from prying eyes. We just can't do it in our respective apartments because of our spouses and getting away to a hotel is just impossible right now.

We decided the best time is around 10 on Tuesday mornings. The spouses are away as are most all of the neighbors. I got there first and waited in the shade. She came forward pushing her way through the vegetation. She was wearing a thin blue top, tight little shorts and shoulder length hair. This MILF pussy was mine this morning. I asked her to stand nearer just so I could get my hands around her waist.

I could see her dark brown nipples bulging through her tank top, her stomach was sucked in as she tried to accentuate her assets. We stood in the small clearing, both

horny, inexperienced at cheating but allowing our bodies to do most of the talking. I asked her to come nearer. We stood there smiling at one another for a very long time, making a few stupid comments, trying to hide the fact we wanted to fuck immediately.

As she edged nearer and nearer I pulled her closer to me. She pressed her crotch against mine and felt my enormous cock throbbing inside my pants. I kissed her chin, she passively watched my lips as they caressed her entire face. I gave her soft bites on her neck, while I rummaged my hands down her pants onto her round ass. She looked into my eyes and I smiled. I squeezed her butt cheeks to signal it was on, and she acknowledged by squeezing my cock. From there, we knew it was on.

I grabbed her by the hips, turned her around and pulled her ass onto my cock. My trousers and her pants were the obstruction between us, I wanted her so badly. She leaned forward and pushed out her ass, grinding ever so slowly, but hard onto my package. Her butt muscles were firm and moved in powerful circles around my erect cock. With both my hands I placed them onto her waist and pulled her tighter against my cock. We dry humped for a few moments, saying nothing - only moaning with pleasure in low tones as to not allow anyone else to hear us.

But her moans became louder and louder as I continued making me wonder if she cumming already? I asked her if she wanted more and without saying a word I saw

her head nod. So I turned her around, pushed her against the fence opposite us and pulled down her shorts. Her dripping wet pussy pushed towards my face. This was the first time she offered her pussy to eat, so I devoured it greedily. I sucked and licked and kissed and stroked that pussy with my tongue until her legs buckled as she came. She begged me to put myself inside her. Once it was in, we kissed hungrily like we were bent on devouring each other, while we pulled and yanked at each other's clothes.

We were both naked when she dropped down to the ground, whipped my turgid dick out of her pussy and proceeded to give me a mean blow job. She moaned and slurped as she sucked, like she was about to choke on my dick or something. I had to ask her to take it easy, to be careful, but seconds later I was the one causing her to make more choking sounds as I pushed her head into my cock so she could take the entire thing into her mouth, deep-throat style.

She let me do as I wanted without uttering a single word of complaint. In fact, she seemed to enjoy my controlling the bj and getting her head and mouth to please me just how I wanted it. Her taking the length of my dick in her mouth can be classified as no mean feat. Eight inches long and pretty thick describes my rocket. And she managed to take all of it in her mouth like it was nothing.

After enjoying quite some time of cock sucking, I decided it was time to taste her pussy. She adjusted the clothes on the ground so she could lay on them and did. I

kneeled in front of her lady sex and took all of her pussy, labia and all, in my mouth. I sucked the whole thing real hard for a few seconds and proceeded to flick my tongue in and out of her hole. As I dug deeper into the hole with my tongue, she wriggled her hips and screamed, pushed my head further in between her legs. A short while later, I wrenched her hands off my head, pinned them beneath her with one hand, used my other hand to spread her pussy lips and expose her clit.

I took it in my mouth and teased it tentatively at first with a few strokes of my tongue that got her moaning again and then proceeded to suck on it like a lollipop. Her grunts went a few decibels higher and she kept begging me to hurry up; like I was not going as fast as I humanly possibly could. She wanted my cock inside her again. But before I gave in, I would insert three fingers at a time inside her and apply hard pressure on her g-spot. She would grimace with delight but beg me to stop, the sensations were too intense for her. She kept begging me to fuck her until I finally did.

I positioned myself over her and plunged my

PUSSY LICKERS

As a woman, I have to admit that I like looking at pictures of girls licking other girls. There's a softness and sensitivity to it that doesn't seem to happen in a blow job. I've licked a few myself and have gotten pretty good at it.

Every Friday night, Jillie comes over and we have a 'ladies night.' We put a hot movie on the TV and settle in for some lady licks. Usually we start slow and pace ourselves to last for a couple hours. Not many guys can or will do that!

rocket into her with long slow strokes, but this wasn't fast enough. She wanted to get FUCKED. I did the best I could but somehow I felt I was not going to satisfy her. Her hips buckled and her body writhed but she didn't cum this way. I was surprised because she came easily earlier when I licked her.

Finally, thankfully, I could feel my climax building. I warned her I was going to explode and asked her if she'll swallow my juice. She hesitated for a moment, pulled my head into her neck, pushed her full boobs into my chest, grabbed my buttocks with her small hands and panted into my ear to cum inside her.

Naturally this aroused me insatiably and before I could even make a decision, huge ropes of my wet spunk were being injected into her pussy. The warm sensation of my cum inside her made her moan with delight. She wiggled on the floor and began to furiously masturbate her clit. I sucked her tits and kissed her stomach as she did this until she came once, twice and three times. We lay there on the discarded clothes for a while, softly kissing like lovers until she said she had to go home and make dinner.

We cooled it for a while, I'm sure she was thinking about the correctness of it, as was I. But after month we hooked up again and again but never like this time. Never again did she beg me with such earnest to pump my cock into her pussy, but I knew her now and I knew it was what she wanted. What a beautiful woman she was.

DOING IT MY WAY

I'm a forty year old woman who's into online porn sites. But don't be too quick to judge me. I'm not hooked on them, I just view them for release now and then. My husband and I divorced a couple years ago and it's been hard for me to date again. I admit I miss him, but I have to move on. I've had a few dates and have even fucked a guy or two, but nothing has been good enough. That's why I like porn surfing.

My tastes are pretty liberal. I like threeways especially when there are two guys on a girl. I have never tried that myself, so maybe that's why I'm drawn to it. In the videos, the girl always looks like she's loving it, except when it's a dp. Then she looks like it's hurting. Except for those European girls, it's like they all take it in the ass and like it. I've tried that too, but probably did not do it right and it hurt for days. I bought a narrow vibe so I've been experimenting with that in my ass. And I'm beginning to like it better. Last week I even made myself cum with it in my ass, but I still had to rub my clit a lot to cum. If you live in San Fran, I'm on the local sites.

— *Carefree by the Bay*

2 IS BETTER

Just a quickie... I'm a guy who loves doing there ways with another guy and girl. I'm not gay, and this is not about that. It's about having the chance to watch the lady blow or fuck a guy right in front of you. And you get so excited, you wish she was doing it to you. She can in a three way!

Man, my car wouldn't start in this parking lot and this nice guy came up to me andf asked if I needed help. I told him I did, "This damn car is junk, and I hate it. He laughed as he opened the hood, tweaked a couple wires and 'vroom vroom,' it started right up.

WorldMags.net

I offered to buy him a coffee at the nearby shoppe and he agreed. We talked for almost an hour when he told me he had to go. I again wanted to thank him so I invited him for dinner the next night and he came. And came, and came, and came.

Dinner was good too!

The car was finally washed. Brendan thought to himself that it wasn't as easy as it looked in the TV commercials, nor as fun and he was drying off after a short, hot shower. His lovely, sweaty wife, Grace was supposed to have finished drying it and putting the towels out to dry. She finally came into the bedroom with her little tank top and shorts soaking wet from the car wash. He didn't care. He had waited too long, he thought. As soon as she entered he pulled her close and started to lift up her top and pulled it away from her breasts and as he felt it drip between his fingers. He threw it into the bathroom and then pulled her shorts and panty down in one swoop, again throwing them both into the bathroom with a sloppy splash on the floor.

Grace giggled and rubbed her breasts in her excitement and didn't even notice that Brendan's towel had fallen off his waist and onto the floor. His already rigid cock sprang free and hard as a rock. Grace stared at it, even after twenty years of marriage, she was into it, taking in his size. It was the biggest cock she had ever seen, not that she had seen that many, but enough. Naked, and dripping in front of him, she felt a little embarrassed, but her wet kitty was squirming at the thought of him fucking her. She sat herself on the edge of the bed as Brendan stood in front of her. All she wanted was to taste him, she reached out and grabbed him between her fingers. Still, his cock was so thick she couldn't get her whole hand around it. She held him with one hand and stroked the tip with her other, his precum already oozing. Replacing her hands with her tongue, she started to circle the tip. Looking at it, not only did it look huge now, it was as large as she first remembered it.

Brendan bent down and pushed her thighs apart as she sat on the bed. Her pussy grabbed at his finger as he

slowly inserted it. First the one, then he inserted another and she started to rock forward on them. Grace opened her mouth as wide as it would go and took in what she could of his cock. As she started to move down the shaft, she again struggled with his girth as she did for all these years, But she was used to it and knew little tricks to please him orally. Grace couldn't get much of him in her mouth, so instead she held his shaft and licked from top to bottom on both sides stopping to circle the tip and taste his slippery leakage.

Grace now started to rock faster on his fingers as he sought out her g-spot. He pressed inside her harder and harder until Grace could feel the feeling. As she rode Brendan's fingers, her orgasm approaching, she continued her assault on his cock. She cupped his balls, squeezed the shaft, and felt what she hoped was the rise of his orgasm. Brendan slowed down his fingers as he felt his own orgasm quickly pulsing through his cock. As her tongue worked double time, one final squeeze of his shaft and his cum started to rise up through the shaft.

*Brendan's cock might
be just a bit to big for
her but she did what
she could with it, as

As Brendan started to push harder with his fingers, he lifted Grace off the bed, raising her to meet him. He felt her tense up and just at the point that his cum left his cock, Grace crashed all over his hand, cum squirting all over his thrusting hand. She tried in vain to catch his cum and swallow fast, but there was too much of it as it kept pumping and pumping out of him. She caught what she could and rubbed the rest into her breasts, but as her bouncing became slower, she still continued to squirt her juices onto his hand.

Brendan now laid back on the bed, dry hand under his head just looking at her. She motioned with her finger to join her in the bathroom and the Jacuzzi. Brendan rose from the bed and walked towards her. On his way, he grabbed the beers he had put on the night stand after the car washing. They walked through the bathroom and she got more excited when she saw the Jacuzzi in front of her frothing away. He set the beers on the edge and offered his hand to guide her into the bubbly brew. As Grace sat, the jets shot up between her legs and she moved slightly because the power was too much on her sensitive spots. Brendan got in opposite her and passed her the can of beer. They both sipped at their beers and let the bubbles roll all over them luxuriating at the feel on their bodies.

Brendan shuffled over towards her, and pulled her to him, kissing her passionately, seeking her tongue with his and making her weak at the knees. His body on hers felt so natural and she melted into his silky skin, kissing him back with as much passion as she had. With one hand around her shoulders, he pulled her closer and circled her nipples with his fingers. Her pussy was getting wetter on the inside and she really wanted Brendan to fill it with his fat cock. She felt her body against his. As she felt his cock growing against her leg, she reached down and pulled it towards her. She stroked its length, making him harder in the warm, bubbly water.

He let her get closer as her hands made their way over

his wet, steamy body till she came to the right place again. Her hands worked his shaft, coaxing his cock out into the cool evening air with her face inches away. His cock grew to its full length and those thick five inches in girth. Brendan's cock might be just a bit to big for her but she did what she could with it, as she always has and he loves her for it.

Feeling her hot wet mouth on his cock head was a welcome feel as she slid her hands up and down the shaft. He did what he could to keep from purring or crying out in pleasurable ecstasy. Grace was good at it, damn good at giving head to his thick cock. She licked and sucked the length of his cock, occasionally nipping at his balls. She felt them tighten up as her lips approached, and they did not disappoint. First one in her mouth, tongue swirling all around it. Then she spits it out and gets the other, all the while Grace's stroking him hard. Somehow she

manages to get both of them in her mouth and pulls her head back, stretching the sac to its end as Brendan moans at the pleasure and pain. He sits there watching her though squinting eyes, panting from the joyful head he was receiving. Now Brendan is feeling that wonderfully familiar feeling welling up inside him, but he has to stop it. He has to last to fuck his wife as she deserves to be fucked. Hard and fast.

Grace lets go of his balls and gives his cock a few long hard strokes. Then she stood up and sat on the edge of

tip nudged towards her pink hole. Grace pushed her hips towards him as his cock head finally found her hole. He just left it there, relishing the feeling her tightness around him. With Brendan's hands around her, he braced himself on the Jacuzzi and thrust his hips forward as she felt his cock edging further in.

Grace moaned loudly as he pushed gently into her sex. Brendan moved one of his hands from the Jacuzzi and found her nipples; and as he stroked and twisted them she felt herself relax completely as he pushed further into her. She shuffled right to the edge of the tub so he could edge into her even further. He was in deep as he started to move his cock slowly in and out of her. Grace didn't even feel her orgasm approach, just a soft feeling as she started to cum and with every movement of his cock, she came again and again. Her pussy was soaking wet and his cock was sliding in and out with ease.

Grace purred as orgasm after orgasm shot from her body, cum dripping out of her pussy as his strokes increased in speed. As Brendan started to pump in and out of her faster, she could feel he was nearing his own climax. This time she felt the warm feeling wash all over her body as she climbed and climbed and climbed up to the peak, and one last pump of Brendan's cock and she felt his cum shoot inside her. Her own full body orgasm took over and everything shook; her arms, her legs and her pussy as her cum shot at his cock inside her taking her to another level of sexual satisfaction!

Brendan pulled out as her pussy throbbed trying to hold him inside her for just a little bit longer. He moved across the rim of the Jacuzzi and sat next her taking her in his arms. She giggled and snuggled into his chest as he held her. The engaged in one long deep passionate kiss and fondled each other's sex one last time in the tub. A few minutes later, they get out of the tub and head back into the bathroom and then the bedroom. Brendan is the first to lay down and Grace plops down next to him. She didn't think she had ever felt so relaxed in her life.

KYLIE & ASHLYN

This photo set and video was submitted by Kylie and cutie Ashlyn from Los Angeles who just graduated from high school. First she strips naked and settles onto the sofa waiting for Kylie's lips and tongue. Kylie is ready to oblige.

A photograph of two women lying on a red blanket. The woman on the right has red hair and is wearing a black top, with her tongue out and hands near her groin. The woman on the left has dark hair and is wearing a black top, looking towards the camera. Both are wearing white Santa hats. The background is a light-colored carpet.

Since Kylie is the more experienced of the bunch she teaches the newbie how to eat each other out, step by step. They take turns licking, rubbing and fingering their tight, pink pussies! It's not long until they make each other cum, one at a time! Thank you Kylie, and thank you Ashlyn!
